

## Kindergarten Registration for Next Fall:

**Attention all parents of incoming Kindergarten Students for next fall. If you have a child who will be five before September 1st, it is time to register them for the 2012 – 2013 school year. Stop by South School's office right away to register them for Kindergarten. No need to wait until spring or summer. Be getting your child's physical, dental check-up and vision test done now so you will be prepared. Avoid the wait in long lines. Gather up your child's birth certificate, physical forms and their social security card to expedite the registration process. If you have any questions at all, please call South School's Office at 263-3851. Come see us right away.**

Dear Parent or Guardian of Incoming Kindergarten Student,

Welcome to South Elementary School. I am looking forward to working with you and your child. Children are our most precious resource. We will be working together to insure that your child has a wonderful educational experience here at South School.

We are hosting a drop in Kindergarten Registration this year. Come any time from now through April 20, 2012 to complete the registration process for your next year's kindergarten student. Your child needs to turn five year old by September 1st to be eligible for Kindergarten in the state of Illinois. These are some things for which you can be preparing to expedite the registration process. Complete the packet of forms ahead of time for speedy processing. We will have a table set up in the hallway if you need to complete your packet the day you come, and we will be on hand to assist you anyway we can.

Some helpful hints: Book Rental Fee is \$47.00. Reduced fees and contracts will be available for those who qualify. Bring with you: An official copy of the student's birth certificate (we will copy it and return it to you), completed physical, dental, and eye examination, social security card of student, and your packet. If your child hasn't completed the physical, eye, or dental exam, they can still register. However, they will not be able to start school until those items have been placed in our files.

Registering your child during this time will save you the long lines later. Hope to see you right away.

Sincerely,

Principal Weir
